This co-ed league is open to children entering grades 3 through 8. A coach/adult in charge must register players on his/her team. We will be accepting teams with a minimum of 5 players. This league is for the child who wishes to continue developing their basketball skills and game play. Teams may be co-ed, but it is not mandatory. Teams should consist of players with the same skill level. It is our intent to keep two divisions of play; grades 3-5 and grades 6-8. However, we do realize that some younger children play at an advanced level. If you feel this applies to you, please call the recreation office and we can discuss. This league is coach/parent run. All games will be officiated. You register your team and coach/supervise your team during all your scheduled play times. The exact times and scheduling is contingent on the number of teams that register. More information will be available at that time.
